

# TIME TO ACT

**The Opioid Free America Foundation**, a 501(c)3 charity, was started by local New Jersey firefighters who grew tired of witnessing the horror of opioid addiction and overdose, first hand. Our mission is to raise awareness about opioid addiction, educating everyone about its potential for addiction. Together, we can stop the opioid epidemic, and our team will never have to respond to an opioid overdose again.

# ★ INAUGURAL ★ Beefsteak

★ FUNDRAISER ★

Friday, May 11, 2018 – 7p.m., The Russian Hall
